

## REV. A. L. AULICK OF BROADWAY BAPTIST CHURCH HAS RESIGNED

After eleven months as pastor of the Broadway Baptist church, Rev. A. L. Aulick tendered his resignation at the close of last night's service to become effective at once.

During Mr. Aulick's stay in Ardmore, 117 new members have been added to the church, a debt of \$2,000 has been paid and more than \$20,000 pledged on a new church building, which will be erected within the next few months.

Previous to the coming of Mr. Aulick as pastor of Broadway Baptist church, he and Mrs. Aulick were student secretaries of the Baptist Student Missionary movement.

In that position they visited 95 colleges and universities in 18 states. The war made the work they were doing impracticable, and now that conditions have changed they are returning to Texas to go back into that work again.

Mr. Aulick will become educational secretary and Mrs. Aulick will be student secretary. She will also edit the Baptist Student, a monthly magazine dealing with the student situation in North America. They will make their headquarters in Fort Worth and during the college year will visit many of the larger colleges and universities in the United States and in Canada.

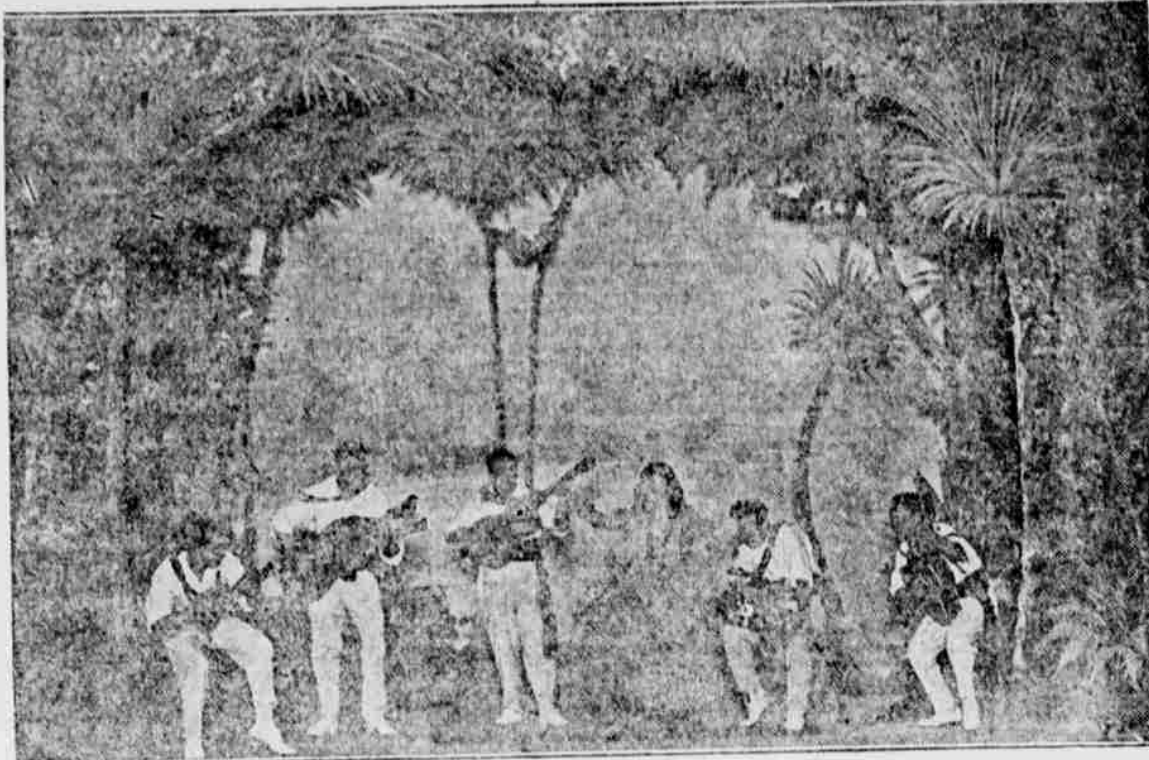

Mr. and Mrs. Aulick left today on a motor trip to Fort Worth, Dallas and other Texas cities.

It is understood that action upon Mr. Aulick's resignation will be taken at the next regular business meeting of the deacons and congregation.

### REGULAR JULY TERM OF THE COUNTY COURT IS NOW IN SESSION

County court for the July term convened this morning at 10 o'clock, Judge M. P. Winfrey presiding.

The entire morning was consumed in expediting a jury, the members of which were slow in arriving owing to the great distance some of them had to travel.

Judge Winfrey stated this morning that as soon as the jury was secured

the criminal docket would be taken up, but was of the opinion that no cases would be heard before Tuesday morning.

The criminal docket for the term is an exceptionally heavy one and involves some important cases. Of the 63 cases set down 33 are for violations of the liquor laws, embracing possession, transporting and selling.

The criminal docket as set only covers two days, but Judge Winfrey hardly thinks that all cases will be disposed of in that time.

Immediately following the ending of the criminal term, the civil docket will be taken up and disposed of. There are 25 cases to be heard in this branch of county court.
